

Horseshoe Volleyball Club is excited to host a Serve-a-thon on Tuesday, December 19, 2023. Each player will get a chance to raise money to help offset the cost of his/her club fees while improving their serving skills. All of the money raised by each player will be put towards his/her tuition fees. Horseshoe Volleyball Club aims to inspire our players to become positive members of their community and provide the best club experience in which players, parents and coaches are valued and supported. Horseshoe Volleyball Club is also a proud supporter of the Tyrone Armory Community Center.

My name is: _____

Serves Made: _____ out of 25

I will get 25 chances to serve. This will not only help me raise money toward my club dues, it will also test my serving skills and my ability to be consistent and accurate under pressure. As a member of Horseshoe Volleyball Club, I would appreciate any support that you can provide. Thank you for your support!
