102 Skyline Drive
Duncansville, PA 16635

Greetings,

Horseshoe Volleyball Club, or HVC, began in Altoona over a decade ago and is headquartered out of Tyrone. HVC is in its 13th year and growing in interest and numbers with each new year. We currently field teams for girls ages 12 through 18 and provide them with an opportunity to develop their skills and become better volleyball players. The club season begins in December and runs through the end of April for many of our teams. Some of our teams get to attend AAU Nationals in Orlando, FL in June. During the club season, girls compete against some of the most talented athletes and teams across the state and even the country.

Tournament entry fees, practice time, hotel fees and uniforms are just a few of the costs one must cover in order to play on one of our teams. Our "select" and "travel" teams will compete at larger, multiple day tournaments throughout the year while our "regional" teams compete mostly in local single day tournaments. For one to play on a select or travel team at HVC, the total cost is between \$950 to \$1,500 in addition to travel and hotel expenses. Our regional teams cost anywhere from \$700 to \$800.

This letter is to request your assistance financially in helping these talented athletes in the Horseshoe Volleyball Club experience the opportunity to compete at some of the highest club level tournaments and providing them with an opportunity to improve and learn.
