

Dear Horseshoe Volleyball Parents,

We will be kicking off our Teamworks Fundraiser on **Monday, December 5th**. Teamworks is a secure online fundraising platform that leverages the power of e-mail, social media, and text messaging to share our customized fundraising webpage. This fundraiser can be far easier than most, but it is important that each parent or guardian help their student select **at least** 20 quality e-mail addresses of potential supporters, anywhere in the United States. Please be sure to have your list of e-mails prepared by **Sunday, December 4th** and bring them to practice that week.

E-mail fact: The contacts that you provide are private and never shared or sold.

Please bring the following to the fundraising launch on 12/5/22 or 12/6/22 (your practice night):

- **Smart Phone:** Each player will register for this fundraiser using their smartphone. If they do not have a smartphone, they may use a parent's, an iPad, or laptop. Any device with internet access.
- **Picture:** Each player will upload an image of themselves to customize their fundraising webpage.
- **E-mails:** The list of e-mails should include each player's parents/guardian as well as people they believe will help the cause and support their team. These e-mail contacts may be located anywhere in the U.S. Please do not include classmates, teachers and other coaches on your list.

Add the e-mail addresses to your "NOTES" on your smartphone or create an e-mail with all of the addresses listed in the body, and send that to yourself. When we launch the fundraiser, you will COPY AND PASTE these e-mails into your team's fundraising page on Teamworks.

Emails should be typed in with no additional names, symbols, or spaces. Example:

[email1@gmail.com](#)

[email2@gmail.com](#)

[email3@gmail.com](#)

Contact e-mail ideas: Family (Grandparents, Aunts, Uncles), Parents' Friends, Parents' Co-workers, Neighbors, Local Business Owners, Church members, Former Coaches or Contacts through your sport.

Any questions can be directed to our fundraiser coordinator, Amanda McClellan at amanda@lfreps.com. Please make sure you have all of the contacts saved into your "Notes" on your phone. This is VERY IMPORTANT and will make for easy access during the kickoff meeting.

Thank you for your support and cooperation,

Coach Streilein and Coach Kraft
